Dear Homeowner:

This letter is to provide information regarding the repair and maintenance of your grinder station.

In the unfortunate event you have an issue with your grinder station, you can contact Goble Sewer Service. Goble Sewer Service is out of Aitkin, Minnesota and the telephone number is 218-927-6175. Goble will remove the pump and will install the city's spare pump to ensure a minimum of downtime.

Goble Sewer Service will ship your pump to Bob Miller in Duluth, MN for repair. Miller's number is 218-393-6033.

You will be responsible for all labor, material, and shipping from Goble Sewer Service and/or Bob Miller.
